HafH
Home away from Home.

WHERE TO

Working in the same old office day in and day out is a thing of the past! Enrich your life by traveling around the world while you work, and experiencing new encounters that you just can't get by going into the same office every day. HafH: all-you-can-stay at around 200 locations for a fixed monthly fee.

What is HafH?

HafH is an acronym for *Home away from Home*.

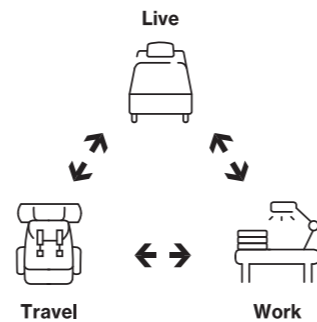

Travel the world while you work and find a place to call your Home away from Home!

We've reached a new era where living and working in just one place is no longer necessary! We've arrived at a time where you can live on a tropical island or in a mountain cabin and work in these beautiful surroundings. This combination of travel + live + work = more freedom! Plus you never know what new encounters and learning opportunities are waiting for you! The possibilities are limitless! For a fixed monthly fee you can live at any location in HafH's worldwide network. All the things that hinder a mobile lifestyle like security deposits, yearly contracts etc. don't exist at HafH. Goodbye to dealing with utility bills and moving furniture. Of course, all locations are fitted with Wi-Fi! Your new location independent lifestyle is here and waiting!

HafH is a diverse community; something that is essential for the work-travel lifestyle

The 3 Co's and Diversity

With the excitement of the new work and live anywhere era also comes concerns like "will I be able to get along with the others." HafH has set 3 very important values: sharing of living spaces (coliving), sharing of work spaces (coworking) and sharing of hometowns (coexist). There is absolutely no discrimination of any kind against nationality, gender, disability, race, religion, sexual orientation, etc. HafH aims to create a diverse community that welcomes everyone. Let's find a second or even a third hometown; a place where people will be waiting to say "welcome home!"
